Housing Collections

The housing sector works hard to fulfil one of society's most fundamental needs: that everyone should have somewhere to live. These organisations are subject to legislative demands, which gives rise to a complex mix of support, compliance and logistics.

Our Housing Collection gives learners the essential skills and industry specific knowledge they need to become effective quickly. It also helps to keep learners up-to-date with current and future legislative changes.

CPD accreditation and certification for every lesson allows you to make sure that all learning is compliant and reliable. The content is continuously refreshed to ensure learners are always up-to-date.

The collection is easily added to your Agylia Learning Management System (LMS) and is fully responsive, providing a great user experience across desktop, tablet and mobile devices. Whether learners are in the office, at home, travelling or working away, they'll have access to their eLearning.

## Housing

Lessons include:

- Affordable rent
- Data protection essentials
- Employment and support allowance
