

Civica People Hub and PayDashboard

A payday solution that promotes employee financial wellbeing and engagement

Civica People Hub and PayDashboard empowers employees to better engage with and understand their payslip information – helping them to take control of their finances and improve their financial wellbeing.

PayDashboard seamlessly integrates with Civica People Hub to give employees access to digital payslips, company rewards and financial benefits.

For HR teams, it provides greater access to payroll insights through interactive dashboards – reducing payroll queries.

For employees

Payslip archive: provides employees with easy access to their pay history and other important documents.

Salary aware: notifies employees should there be a change to their net pay, tax code or deductions.

Financial resilience: supports employees on their financial journey

with notifications about rewards, benefits and tax schemes available to them.

Financial education and guidance: gives employees access to tools, calculators and articles to help them prepare for pay and financial change

For employers

Payslip portal: deliver payslips and pay documents in one customisable portal.

Reduce queries: by providing employees with financial guides on common problems, such as tax codes and payslip terms.

Payroll dashboards: grant extended teams access to view payroll data, without giving them access to your payroll solution.

Benefits

- 1 Provides easy access to payslip and pay documents
- 2 Reduces volume of payroll queries
- 3 Helps employees improve their financial wellbeing
