

LinkSafe for Councils & Shires

Centralised, customisable contractor management software for future-ready councils & shires.

At LinkSafe by Civica, we recognise the unique challenges faced by Councils & Shires in managing contractors, including the cumbersome manual processes required for ensuring proper documentation and compliance with safety protocols.

Additionally, standard induction processes are often time-consuming and lack consistency, hindering effective onboarding of contractors, suppliers, vendors, volunteers and more.

The absence of a centralised monitoring system further complicates tracking compliance and maintaining accurate records for audits and inspections, leading to a process that is both cumbersome and prone to errors.

LinkSafe helps you with:

Why choose LinkSafe for your Council or Shire?

Our solutions enhance **safety and compliance**, efficiently managing everyone on site with proactive compliance measures and **automated** streamlined processes.

LinkSafe by Civica ensures all site visitors – from contractors and volunteers to suppliers and vendors – meet necessary requirements, maintain compliance and understand all safety protocols before undertaking any tasks.

Contractors

Efficiently onboard and automatically monitor compliance for all the companies you use (insurances, safety documents, qualifications etc) for all your trades, maintenance, construction etc.

Volunteers

Easily meet requirements for onboarding, inducting and monitoring documentation for all your volunteers, making it quick and easy to ensure all compliance is being met.

Suppliers & Vendors

From food trucks, audio-visual & face painters, to market stall holders and everything in between – ensure you have all the required documentation and insurances for the services they provide.

Cleaners & Ground Staff

Streamlined automated process to ensure everyone working on any of your sites– from cleaners to lawncare, ground staff to maintenance– is compliant and allowed to be there.
