

CIVICA

Transforming the way you work

Civica
Education
Suite

... reducing risk &
improving efficiencies
for **school business
managers**

A comprehensive finance & billing
solution built especially for schools.

Our finance solution is a fully featured business solution that has been optimised for use in schools.

Tight integration with School Admin: no double entry of information, up-to-date student and family information is always available

Configurable automated billing processes: process fees, levies, discounts etc. quickly and accurately

Voluntary contributions: streamlines the management of (tax deductible) voluntary contributions

Comprehensive functionality: feature rich and optimised for K-12 schools

Efficient data management: drill-downs, multi-year history, multi period processing, one-click error corrections, notes and attachments "everywhere", ...

Automated processes: bank statement auto-reconciliation, repeating invoices, scheduled reports,

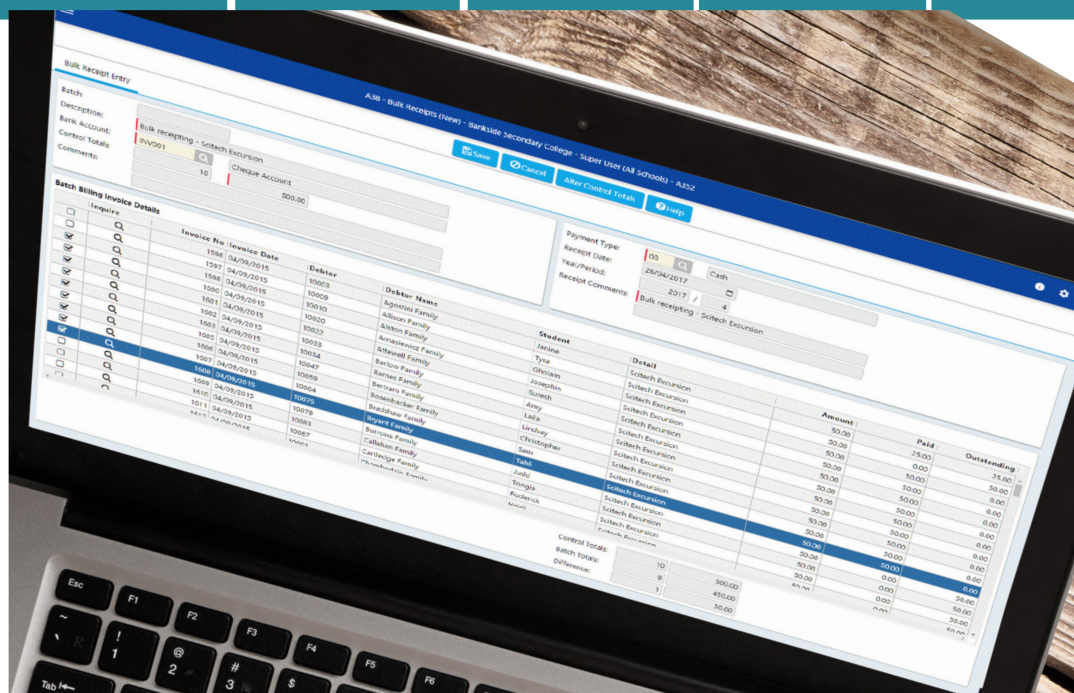

Intelligent use of your data: analyse information using latest business intelligence tools and dashboards

Enterprise solution: provides options for jurisdiction wide data configuration (e.g. standardised chart of accounts) and consolidated reporting

Integration with Teacher Toolkit: allows teachers to raise purchase requisitions
